

# StarLine Dealers Association

Starline Dealers Association is a network of independent medical supply distributors providing service on an international scale to the healthcare industry.

Starline Dealers have the national resources to deliver the highest quality medical supplies and business resources to their customers. Starline Dealers also have the flexibility to provide you with the very best in local sales and service.

This “preferred products” catalog represents a selection of name brand products available from your Starline Dealer. The complete Starline Brand line of high quality, competitively-priced products is also featured. This is only a sampling of the many products available from your Starline Dealer. Ask your Starline representative for information on additional products not shown in this catalog.

The logo for StarLine features the word "StarLine" in a large, bold, serif font. The letter "i" in "Line" has a small star above it. The entire word is underlined with a thin horizontal line.

## WOUND CARE

StarLine

### STARLINE SHEER STRIPS

High quality sheer adhesive bandages stay right where you want them. Conform to body contours. Won't stick to the wound site. Sheer qualities let the air in and moisture out to promote healing. Easy to open wrapper. Handy fold out dispenser box. Sterile.

3/4" x 3" Strips, 100/bx, 12 bx/cs  
1" x 3" Strips, 100/bx, 12 bx/cs

### STARLINE FLEXIBLE ADHESIVE BANDAGES

Heavyweight elastic fabric provides strong, hard-wearing protection for all minor punctures, cuts, and abrasions. Flexible weave permits bandage to stretch, conforms easily to irregularities, allows greater freedom of movement with far less painful pulling. Special bandage adhesive provides staying power, even on moist skin, but peels off easily. Individually sealed in sterile, easy release paper sleeves.

### GENETIC LABS SUTURE STRIP® PLUS WOUND CLOSURE STRIPS

Made of a flexible, nonwoven material with a skin-friendly adhesive that adheres aggressively to the skin, yet flexes enough on areas of movement to reduce the chance of skin shear or blistering. Requires no additional adhesive enhancers and is water-resistant.

### GENETIC LABS LC STRIP™ MINIMALLY INVASIVE WOUND CLOSURE STRIPS

Minimally invasive wound closure strip imitates the elasticity of human skin to secure incisions without the need of adhesion enhancers. This flexibility reduces the chance of skin irritation, skin shear, or traction blisters. Blood & exudate pass through the macroporous strip, minimizing maceration.

LC6100

Strips, 1/2" x 2", 6/pouch, 50 pouches/bx, 4 bx/cs

### STARLINE ELASTIC BANDAGE

Lightweight elastic support bandage for general use. High quality yarns reinforced with rubber are woven to provide balanced stretch and compression. Can be laundered, sterilized, and reused. Each bandage is individually packed in a snap-open plastic wrap with clips enclosed.

### ALBA HEALTH CARE PERMEABLE NON-ADHERING DRESSINGS

Sterile. Permeable knitted fabric allows wound drainage to flow freely into the absorbent dressing. This helps keep wetness from the wound, which minimizes maceration and helps promote healing. White petrolatum lines the dressing, providing a comfortable non-adherence to the wound - even during dressing changes. Ideal for draining surgical wound, open ulcers, abrasions, burns & other uses.

Sterile clear film packaging offers a unique stay-flat feature when peeled open.

### ALBA HEALTH CARE STERILE PETROLATUM GAUZE DRESSINGS

Clings and conforms to all body contours without sticking to wound. Provides soothing non-adherent protection with more convenience and less mess. Non-toxic, non-sensitive and non-irritating. An oil-resistant paper wrap folded over the dressing protects it within the peel-open foil-lined pouch and greatly simplifies handling. Whether using forceps or gloved hands, the inner-wrapped dressing is easily taken out of its package without sticking or pad distortion. For application, the folded edges of the inner wrap pull neatly away from the dressing with minimum adherence.

145021	Pairs, Large, Size 9+, 50 pr/bx

**STARTEX NON-STERILE LATEX EXAM GLOVE**

Made of natural rubber latex, the most effective barrier for protection from bloodborne pathogens and microbiologically transmitted diseases. Special bisque finish for maximum grip control and enhanced tactile perception.

145032	Small, Size 6-6 1/2, 100/bx
145030	Medium, Size 7-7 1/2, 100/bx
145031	Large, Size 8-8 1/2, 100/bx

**STARLINE POWDER FREE TEXTURED LATEX EXAM GLOVES**

Our ambidextrous powder-free gloves are lightly textured to increase gripping ability without affecting sensitivity. These gloves work well in both wet and dry environments. They are accepted for FDA Low Protein Labeling and are powder-free to minimize powder associated with peritonitis, granuloma, adhesion and tissue trauma. They have a rolled cuff. Every glove is 100% individually air tested with compressed air to insure 100% AQL against pinhole and other physical defects for greater product and worker protection. Nonsterile.

## DIAGNOSTICS & EQUIPMENT

### STARLINE DIGITAL THERMOMETER

Accurately records body temperature in 60 seconds. Liquid crystal display readout displays temperature within 1/10th of a degree. Audible beep signals peak temperature. A replaceable battery provides 200 hours of use. Each package comes complete with thermometer, 5 probe covers, battery, storage case, instructions, and one year limited warranty. Can be used orally, rectally or under the arm.

10420410

Digital Thermometer w/beeper

### STARLINE THERMOMETER SHEATHS

Manufactured to extraordinary tolerances from the finest materials available. Sheaths can be twisted or peeled off of the thermometer.

### STARLINE HIGH INTENSITY MEDICAL PENLIGHTS

Three volt high intensity penlights are specially designed for the medical profession. Uses 2 "AA" batteries.

101001

Medical Penlights, 6/pk, 24 pk/cs

### BURDICK 100 PULSE OXIMETER

Fast, accurate SpO2 levels whenever and wherever needed. Displays SpO2 level, pulse rate and pulse strength on an easy to read LED screen. Uses 3 "C" cell batteries and automatically switches off when not in use. Compact, portable and durable. Up to 99 individual tests can be stored for printout using the optional printer.

**BURDICK DC-200 DEFIBRILLATOR**

Easy to use, AC-powered defibrillator. Delivers reliable defibrillation in three fast, simple steps. Nine power settings from 5-300 joules. Microprocessor controlled. Delivers a dampened Edmark-type waveform. Charge and discharge buttons conveniently located on paddles. Pediatric electrodes are concealed beneath the adult electrodes and are accessed by a simple, quick release feature. Weighs 17 lbs. Power: 97-133V or 195-265V, 50/60 Hz, 133 watts.

161075

DC-200 Defibrillator

**BURDICK MEDIC-5 PORTABLE DEFIBRILLATOR**

Compact unit with a single/power-on/selector switch defibrillator, electroluminescent monitor and annotative recorder. Charges to 360 joules in less than 10 seconds. Automatically prints time, date, heart rate, lead select, sensitivity, real time, delay, synchronization, delivered energy and alarm violations. Includes a roll of chemical paper, 5 oz tube of Cor-Gel, 25 foam sensors, 5-lead patient cable, power cord and manual. 115-V, 50/60 Hz.

161082

Medic-5 Defibrillator

**BURDICK ECLIPSE LE ELECTROCARDIOGRAPH**

Multi-channel electrocardiograph produces full 8 1/2" x 11" reports in 3, 4, or 6 channel formats. 12-Channel copy available. Thermal printer produces crisp, accurate traces. Continuous 3 & 6 channel rhythm capability. Stress compatible with M300d monitor. Includes: Eclipse LE Electrocardiograph, Patient Cable, CardioSens/Ultra ECG Sensors, Chemical/Thermal Paper Z-Fold, Adapter Clips, Instructional Video, Operator's Manual, and One Year Warranty on Parts and Labor.

ECLLE-AAAIXA  
ECLLE-AACIXA

Interpretive  
Non-Interpretive

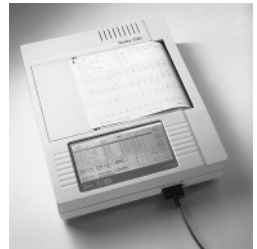

**BURDICK E560 INTERPRETIVE ELECTROCARDIOGRAPH**

Designed to make ECG acquisition faster and easier. Select procedure and input data by simply touching the screen. Actual waveforms for each lead are displayed on the screen, permitting ECG preview and continuous patient monitoring. Selectable demographic fields. Memory holds up to 45 ECGs for recall, review, printing or transmission. Print function features 3-, 4- or 6-channel formats, ECG interpretation, continuous rhythm strips, complete measurement matrix and medium complex waveforms. 8 1/2" x 11" format for easy filing. Stress compatible. Optional internal fax modem.

E560

Multi-Channel Interpretive Electrocardiograph

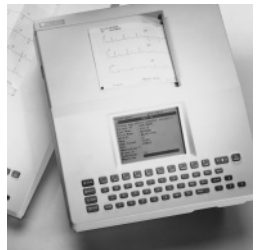

**BURDICK ECLIPSE™ 4 INTERPRETIVE ELECTROCARDIOGRAPH**

Multi-channel electrocardiograph with multi-lead preview screen and screen and storage for 40 ECG's. Thermal printer produces crisp accurate ECG reports and continuous rhythm reports. Acquires and prints on battery and/or AC power. Includes: 10-lead patient cable with one year warranty, power cord, mounts, one pad assurance 50 paper, cardiosens/ultra sensors and adapter clips, manual and handbook. Three year warranty on parts & labor.

10123703

Eclipse 4i

**BURDICK ECLIPSE™ 8 INTERPRETIVE ELECTROCARDIOGRAPH**

Interpretive multi-channel electrocardiograph with multi-lead preview screen and storage for 40 ECG's. Thermal printer produces crisp accurate ECG reports and continuous rhythm reports in 3, 4, or 6-channel format. Acquires and prints on battery and/or AC power. Includes: 10-lead patient cable, power cord with one year warranty, one pad assurance 50 paper, CardioSens/Ultra sensors and adapter clips, manual and handbook. Three year warranty on parts and labor.

10124103

Eclipse 8i

**BURDICK ECLIPSE™ 850 ELECTROCARDIOGRAPHS**

Multi-channel electrocardiograph with preview screen and storage for 1 ECG. Thermal printer produces crisp accurate full page ECG reports and continuous rhythm reports in 3, 4, or 6-channel format. Acquires and prints on battery and/or AC power. Includes: 10-Lead patient cable with one year warranty, power cord, one pad assurance 50 paper, mounts, cardiosens/ultra sensors & adaptor clips, manual & handbook. Three year warranty on parts and labor.

E850AABix

Eclipse 850, Interpretive

Eclipse 850, Noninterpretive

**BURDICK EK-10 SINGLE-CHANNEL ELECTROCARDIOGRAPH**

Combines the cost advantages of a single-channel electrocardiograph with the increased productivity of automatic operation. Features a thermal array printer, liquid crystal display, "soft-touch" membrane pad and 50 ECG acquisition/print on battery (optional). Compact and portable.

101070

EK-10 Single-Channel Electrocardiograph

**BURDICK ELITE II INTERPRETATIVE ECG RECORDER**

Simultaneously acquires 10 seconds of ECG data for all 12 leads. Prints interpretive reports in 4-channel format. Menu displays guide user through all functions. Stores up to 30 ECGs in memory. 11" x 13" x 3 1/4". 120/240 VAC, 50/60 Hz. Includes 10 lead accessory group and 12.5-V nickel cadmium battery. Compact and portable. Optional internal fax and communication modem.

101158

Elite II, Single Channel Interpretative Electrocardiograph

**BURDICK EXTOL 360 STRESS SYSTEM**

Provides 12 lead ST segment monitoring and measurements. Very easy to use. Four user-programmable protocols plus manual mode. Bruce, modified Bruce and ramping protocols preprogrammed for convenience. Provides comprehensive final reports with minute by minute complexes, pretest through recovery. Solidly built, quiet treadmill with ample walking space.

104198

Stress System

**BURDICK T600 TREADMILL**

A brushless DC motor assures quiet, smooth operation. Rugged. Long-lasting. Operates on standard 110-V current and requires no special wiring or installation. A full 62" walking space. Full length, non-slip sideboards and sturdy handrails for patient safety. Can be used with a controller as a stand-alone unit and is compatible with all ExTol stress systems.

104132

Treadmill

## BURDICK ELECTROCARDIOGRAPH ACCESSORIES

### Adapter

007469 Lead Adapter For Grabber End  
007463 Lead Adapter For Snap End

### Battery

862278 Battery Pack For ELITE, EK-10

### Belt

007526 Stress Belt, 4', White, Velcro Bulb  
007374 Stress Belt, 5', Black, Buckle

### Books

086061 ECG - A Better Way  
086212 Exercise Tolerance - A Better Way  
086245 ECG Interpretation Criteria (Elite II, E350i, E560)

### Bulb

860403 Bulb Only For Welsh Infant Sensor (007364)  
860404 Bulb Only For Welsh Adult Sensor (007163)

### Chest Sensor

007201 Chest Sensor Only For 107201 Set  
107201 Chest Sensor Set, Infant  
007156 Chest Sensor, Adult, 18" Lead Wire  
007286 Chest Sensor Only For 107155 Set  
107155 Chest Sensor Set, Adult

### Defibrillator Accessories

**BURDICK CARDIOSENS™ DISPOSABLE SENSORS**

Three styles of disposable sensors: CardioSens™/Ultra has aggressive adhesive. Fast signal stabilization with rapid defibrillator recovery and superior conductivity. CardioSens™/K has a natural hypoallergenic Karaya adhesive, generous tab area and high quality traces. CardioSens™/S is a quality silver/silver chloride sensor with slender silhouette. Produces excellent trace quality.

047029	CardioSens/Ultra, 500bx, 10 bx/cs
047866	CardioSens/K, 500bx, 10 bx/cs
047057	CardioSens/S, 500bx, 10 bx/cs
047036	Astro-Trace Adapter Universal Clip, 10/pk

## CONMED HYFRECATOR® 2000 AND ACCESSORIES

Digital one-tenth incremental control in the critical 0 to 10 watt range. Remote control hand switching pencil to change power settings, while maintaining the sterile field, and decreasing procedure time. Memory to store up to 3 power settings. Dual microprocessors to control the output and functionality of the Hyfrecator and to terminate activation if a safety hazard is detected.

7900115

Hyfrecator 2000® for U.S. (115V)

### Accessories

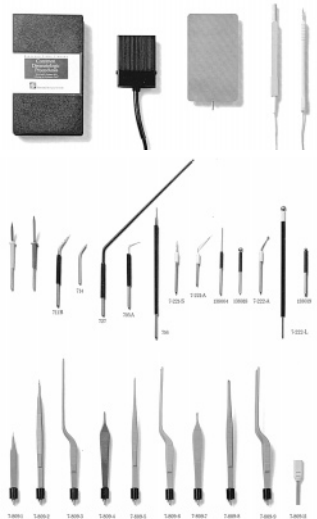

- 78005 Reusable Handswitching Pencil with Up/Down/Power, Hand Control & 8' Cord
- 78006 Reusable Foot switching Pencil
- 79000M Operators Manual
- 790021 Video "Common Dermatologic Procedures"
- 79004 Footswitch
- 79007 Patient Plate
- 137657 Disposable Hyfrecator Pencils, 40/cs, Requires Nos. 77964 and 6703
- 6703 Reusable Adapter to Fit No.137657 Pencils, for All Hyfrecator Models
- 750 Needle Adapter
- 77961 Mobile Pedestal Stand, 5 Legged, Chrome
- 779618 Nonsterile Disposable Sheaths, 100/bx, 12 bx/cs
- 779619 Sterile Handpiece Sheaths, 25/bx, 4 bx/cs
- 779620 Universal Wall Mounting Kit
- 137307 Suction Coagulator (requires #77964 for operation)

### Bipolar Forcep Electrodes, All Require Foot Switch & 780911

#### Cord

- 78091 Jewelers Micro Tips, 4" (10 cm)
- 780911 Reusable 12' Bipolar Cord, same as 135168 Hospital Cord
- 78092 Gerald Micro Tips, 7" (18 cm)

Hyfre-Vac Smoke Evacuator

### Accessories

- 779616 Hyfre-Vac Filter Packs, 9/cs
- 779617 Hyfre-Vac Wand

**CHESTER LABS LIQUASONIC ULTRASOUND SCANNING GEL**

This gel has been designed for diagnostic ultrasound scanning procedures requiring a less viscous formulation. Unlike other scanning materials, the Ultrasound Scanning Gel possesses characteristics of a gel and fluid. Like a gel, it is applied with ease and like a fluid, it has high-quality scanning abilities. The scanning gel is an acceptable alternative to mineral oil. It is acoustically correct, completely aqueous and hypoallergenic.

001278  
001277

Scan Gel, 8 oz, 12/cs  
Scan Gel, 128 oz, 4/cs

**CHESTER LABS LIQUASONIC ULTRASOUND LOTION**

Similar in use to ultrasound gel, the lotion is often preferred by medical professionals. The aqueous formulation is pleasing to the patient and is acoustically correct for the large spectrum of frequencies used in medical ultrasound applications. The lotion is hypoallergenic, bacteriostatic, salt free, formaldehyde-free and will not harm clothing, equipment or skin.

001268

Lotion, 8 oz, 12/cs  
Lotion, 128 oz, 4/cs

**BURDICK FLASH™ SPIROMETER**

A portable unit that goes anywhere and provides accurate, fast spirometry results. Performs all standard spirometry tests. Simple, menu-guided operation. Weighs only 3 pounds. System includes handheld flow sensor, PFT filters, noseclips, battery recharger, operator manual.

100356

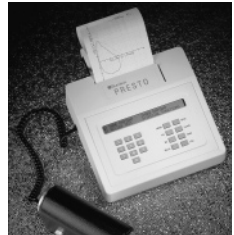

Flash Spirometer

**BURDICK PRESTO™ SPIROMETER**

Standalone spirometer with built-in printer for fast documentation. Print out in 30 seconds. Tests interpretation option and maneuver quality checks. Includes integral thermal printer. Lightweight, portable. System includes handheld flow sensor, mouthpieces, noseclips, printer paper.

100231

Presto Spirometer

**BURDICK SPIROSENSE™ SPIROMETER**

Use as a complete system or add on to an existing PC. Compatible with most IBM-type PCs, notebooks & laptops. Menu guided operation. Provides all standard spirometry tests: trend analysis, real time graphs, inhalation challenge, COPD. System includes standard PC, computer software, VGA color monitor, dot matrix printer, start-up supplies kit.

100255

SpiroSense Spirometer

## STARLINE OVERBED TABLE

Table features gray laminate top with vinyl trim. Spring loaded mechanism allows quick height adjustment from 28"-45". Sturdy four point base features dual wheel casters for easy positioning. Top measures 15" x 30".

11350600

Gray Laminate/Painted Base

## STARLINE PLASTIC UTILITY CART

Plastic, all purpose and sturdy to accommodate almost all sensitive equipment and disposable supplies. 200 lb capacity. Three ABS plastic shelves and 3" swivel casters.

11353530

27 1/4" X 17" Shelf Size, 35 1/2"H, 11" Between Shelves

## STARLINE 18" ROUND HAMPER STAND

Made of chrome-plated steel with satin finish on the lid. The foot-pedal mechanism is activated by a spring for easy, hands-free operation. The M-shaped base design makes this hamper very stable and allows the four ball-bearing swivel casters to roll easily over different floor surfaces.

11353334

Hamper Stand, 18" Round

**STARLINE SCREW ADJUSTABLE STOOLS**

Features 4" thick polyfoam cushions upholstered in seamless or sewn durable vinyl for long lasting use. 14" cushion diameter. 22" diameter aluminum base with solid steel, machine thread screw for height adjustments of 19"-25". Dual wheel casters. 50 standard colors available, plus a variety of special order colors.

**DESERT ASSEMBLY OPTI-KLENS® EYE WASH FOUNTAINS**

Chrome-plated, solid brass unit easily installs on any existing sink or basin faucet as a permanent eye wash fountain. Will not interfere with normal faucet operation. Unlimited water supply in an emergency, unlike portable models. In operation, unit frees both hands to hold eyes open to the flow of water. No plumbing required. Two of the most common adapters are packed with the unit. Other adapters are available from manufacturer. Meets ANSI Standard #Z358.1-1990 for an eye wash unit.

### STARLINE HIGH SUDS INSTRUMENT DETERGENT

Concentrated powder and liquid are biodegradable with neutral pH. Contain rust inhibitors and rinsing agents. Hemolytic to remove blood.

B3S	High Suds Powder, 5 lb Tub, 6/cs
B2S	High Suds Liquid For Manual Cleaning, Gal, 4/cs

### STARCLENZ 3000® INSTRUMENT CLEANER/LUBRICANT

A powerful, low-foaming, multipurpose detergent for cleaning and lubricating stainless steel instruments in one step. Low foaming StarClenz may be used in manual systems, ultrasonic cleaners and washer sterilizers/decontaminators.

12283000	Gallon, 4/cs
----------	--------------

### STARZYMATIC 2000® DUAL ENZYMATIC INSTRUMENT DETERGENT

A low foaming, dual enzymatic detergent for cleaning medical and dental instruments. StarZymatic 2000® is especially useful for cleaning delicate instruments with hard to reach areas such as flexible endoscopes. May be used as a presoak or in manual, ultrasonic and automated cleaning systems.

PREZ320	Quart Squeeze Meter, 4/cs
12282000	Gallon, w/ 1oz pump, 4/cs

### STARZYMATIC® SINGLE ENZYMATIC DETERGENT AND ULTRASONIC CLEANING SOLUTION

An economical, low foaming single enzymatic detergent designed to effectively clean delicate instruments. Works fast to dissolve proteinaceous soils, speeding instrument turnaround in manual, ultrasonic or automated cleaning systems. Gentle to instruments. A neutral pH formula is non-corrosive and compatible with most metals, plastics and rubbers.

12282001	1 Gallon w/1 oz pump, 4/cs
EZ050	5 Gallon Drum
EZ150	15 Gallon Drum

**STARCID<sup>®</sup>, STARCID<sup>®</sup> NS AND STARCID<sup>®</sup> PLUS**

Alkaline glutaraldehyde solutions are liquid chemical sterilants and/or high-level disinfectants of immersible medical and dental instruments. All StarCide<sup>®</sup> solutions are approved for use at "true" room temperature 68°F (20°C). StarCide NS contains no surfactants and is reusable for up to 14 days. StarCide<sup>®</sup> and StarCide<sup>®</sup> PLUS contain surfactants and may be reused for up to 28 days. StarCide<sup>®</sup> and StarCide<sup>®</sup> NS contain 2.4% glutaraldehyde while StarCide<sup>®</sup> PLUS contains 3.4% glutaraldehyde and is for use in areas where inadvertent dilution may occur.

**CHESTER LABS ULTRASONIC LIQUID CLEANER**

Totally safe with plastic tubing or any thermoplastics intended for autoclaving.

002600

Gallon, 4/cs

**COTTRELL PROPHENE<sup>™</sup> CLEANER/DISINFECTANT**

ProPhene<sup>™</sup> is a concentrated dual phenolic environmental surface cleaner/disinfectant. May also be used as an instrument holding/decontamination solution. One ounce of concentrated ProPhene<sup>™</sup> makes one quart of solution. Kills TB and all other organisms claimed in just 10 minutes.

PHEN32

Quart Squeeze Meter, 12/cs

**COTTRELL PROSPRAY<sup>™</sup> CLEANER/DISINFECTANT**

ProSpray<sup>™</sup> is a ready-to-use broad spectrum dual phenolic disinfectant with powerful detergents added for cleaning and disinfecting environmental surfaces in medical facilities. ProSpray<sup>™</sup> kills TB and all other organisms claimed in just 10 minutes.

**CHESTER LABS APRILFRESH® LIQUID SOAPS**

Liquid lotion soap is an extremely mild cleanser with moisturizing agents that supplement the skin's natural oils. This freshly scented, bacteriostatic, and non-medicated formula is ideal for repeated use. The antibacterial liquid soap contains the germ fighting ingredient Triclosan. It helps get rid of germs while preventing cross contamination and the regrowth of bacteria.

**Antibacterial Liquid Soap**

*We also carry a complete selection of catheters. Consult your StarLine representative for information.*

## GENETIC LABS CATH-STRIP™ RECLOSABLE CATHETER FASTENER

Reclosable catheter tubing fastener will secure any size catheter to the patient's body. Made of flexible, nonwoven material, coated with skin-friendly, pressure sensitive adhesive. Hook and loop reclosure system allows for repeated tube adjustments and is suitable for all types of catheters: urinary, gastrostomy, wound drainage, Hickman catheters, chest tubes and multi-port IV's.

CS-50

Cath-Strip, 1 strip/pouch, 50 pouches/bx, 4 bx/cs

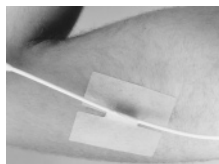

## GENETIC LABS UC STRIP™ CATHETER TUBING FASTENER

A one piece flexible fastener used to secure urinary and gastrostomy catheter tubing. This flexible material is coated with a skin friendly adhesive that reduces the chance of skin shear or blistering. Allows limited side to side movement while it prevents the tubing from being pulled out.

UC20

Catheter Tubing Fastener, 20 pouches/bx, 10 bx/cs

## STARLINE TRACHEOSTOMY CARE KIT

Three compartment plastic tray with cut and sewn trach sponge, tipped trach brush for less risk of patient trauma, and extra long twill tape for added security.

1295803

Trach Care Kit, 20/cs

## STARLINE SKIN STAPLE REMOVER KIT

Each kit is individually sterilized in a plastic tray with peel back lid. Kit contains easy-to-use stainless steel staple remover, alcohol and PVP prep pads, and 3" x 3" gauze sponge. Packed in easy stacking trays.

1295815

Skin Staple Remover Kit, 50/cs

## STARLINE SUTURE REMOVAL TRAY

Features metal instruments. Allows you to remove sutures easily and quickly. Tray includes a 3" x 3" virtually lint-free gauze pad, precision molded metal tissue forceps and Littauer scissors.

1295101

Suture Removal Tray, 50/cs

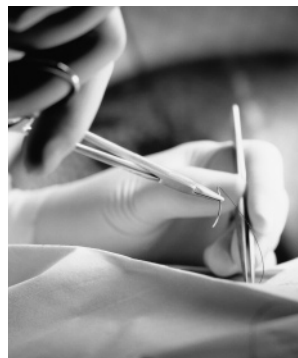

*Ask us about our complete line of procedure trays.*

**STARLINE SUTURES FOR OFFICE-BASED SURGERY**

Reverse cutting, precision point needles. Choice of top quality suture materials. Packed in easy to open inner foil pouches, color-coded for easy identification by nurses/surgeons. Inner wrapping presents needle for arming in common right-handed fashion. Packaging: 12/box.

- B311-C0 E-Z Lock Raised Toilet Seat w/arms, 1/cs
- B312-C0 E-Z Lock Raised Toilet Seat, 1/cs

## RUBBERMAID HIP AND FRACTURE RAISED-TOILET SEAT

Fits most toilets. Designed to assist those recovering from hip replacement or leg fractures. Right or left-side models.

- B308-C0 Hip & Fracture Toilet Seat, Right, 2/cs
- B309-C0 Hip & Fracture Toilet Seat, Left, 2/cs

## RUBBERMAID BATH AND SHOWER SEATS

Can be used in a bathtub or shower stall for those needing to sit while bathing or showering. Seats and backs are constructed of durable plastic. Flared aluminum legs provide a stable base. Slip-resistant rubber tips grip tub/shower floor.

- B655-00 Composite Bath & Shower Bench, Adjustable, 3/cs
- B656-00 Composite Bath & Shower Bench, w/back, Adjustable, 3/cs
- B659-00 Bath & Shower Seat, Adjustable, 18 1/2" W x 19"D x 22"H, Adjusts From 15" To 22" In 1" Increments, 4/cs
- B660-00 Bath & Shower Seat w/back, Adjustable From 15" To 22" In 1" Increments, 18 1/2"W x 19"D x 22" H, 4/cs
- B600-00 Round Shower Stool, 2/cs
- B651-00 Shower & Bath Chair w/back, Retail Packaging (some assembly required), 3/cs
- B650-00 Bath & Shower Seat, Adjustable, Retail Packaging, Some Assembly Required, 4/cs
- B652-C0 Bath & Shower Seat, w/back, Adjustable, Assembled, 2/cs
- B653-C0 Bath & Shower Seat, Adjustable, Assembled, 2/cs

## RUBBERMAID BATHTUB TRANSFER BENCHES

Provides easier access for people who have difficulty getting into and out of bath. Also ideal for those who need to sit while bathing. Adjustable seat height. Side rails provide support for easy transfer. Some models available with cut-out commode pail.

- B150-C0 Deluxe Vinyl Padded w/full seat (some assembly required), 1/cs
- B152-C0 Vinyl Padded w/cut-out & Commode Pail (some assembly required), 1/cs
- B154-C0 Blow Molded (some assembly required), 1/cs
- B156-C0 Blow Molded, w/cut-out & Commode Pail, 1/cs
- B157-C0 Suction Tips For Transfer Benches, 6 pr/cs
- B158-00 Composite Transfer Bench, 3/cs

## RUBBERMAID PORTABLE SHOWER BENCH

Convenient one-piece bench is ideal for sitting in the tub. Adjustable seat fits standard tubs 19"-28" wide. Rubber stops help protect tub from scratches. Portable for easy storage and travel.

- B217-00 Composite Tub Transfer Seat, Retail Packaging, 4/cs

### RUBBERMAID BATHTUB RAILS

Rails help provide additional support while moving into or out of bathtub. Spring steel clamps are adjustable and lined with rubber pads to protect tub surface. Tri-grip and dual level rails have textured finished grip area. White rail is ideal for use on fiberglass tubs.

- A857-C0 Adult Folding Walker, 21 1/4"W x 17 1/2"D x 37"H, Adjustable, 2/cs
- A863-C0 Youth Size Folding Walker, 21 1/4"W x 17 1/2"D x 30"H, Adjustable, 2/cs
- A868-C0 Double Button Extenda-Frame Walker, 21 1/4"W x 17 1/2"D x 37"H, Adjustable, 2/cs
- A873-C0 Folding Hemi Walker, 11 1/2"W x 19 1/4"D x 34"H, Adjustable, 2/cs

**RUBBERMAID DOUBLE BUTTON FOLDING WALKER**

Cross braced for rigid and sturdy side support. Placement of braces allows use over the toilet as well as proper gait. Double button release allows independent folding of each side. Folds to 4" flat for compact storage. Weight capacity 300 lbs.

- A864-C0 Adult Folding Walker, 30"-37", 2/cs
- A865-C0 Youth Folding Walker, 26"-31", 2/cs

**RUBBERMAID ALUMINUM CRUTCHES**

Constructed of lightweight anodized aluminum with plastic armrests and handgrip. Completely assembled with pads, grips and tips. Ready to fit. Pushbutton adjustment. Patient height scale printed on crutch.

- A977-C0 Youth (Patient Ht 4' 7"-5' 3"), Adjusts 37"-45", 4/cs
- A976-C0 Adult (Patient Ht 5' 2"-5' 10"), Adjusts 44"-52", 4/cs
- A975-C0 Tall (Patient Ht 5' 10"-6' 6"), Adjusts 52"-60", 4/cs
- A977-00 Youth, Push Button, Retail Packaging, 1/cs
- A976-00 Adult, Push Button, Retail Packaging, 1/cs
- A975-00 Tall, Push Button, Retail Packaging, 1/cs

**RUBBERMAID FOREARM CRUTCHES**

Designed for long-term use. Features orthopedic handle and vinyl coated forearm cuffs for user comfort. Adjustments to handgrip and cuff height can be made independently.

- A985-C0 Adult Standard, 1/cs

**RUBBERMAID REACHERS**

Ideal for objects both above and below. Trigger handle pulls jaws tight. Magnet end helps lift small metal objects.

- P601-C0 32" Metal Reacher, 6/cs
- P602-C0 27" Metal Reacher, 6/cs
- P603-C0 Folding Reacher, 6/cs

**RUBBERMAID HOME STYLE BED RAILS**

Designed for use on standard home beds, including king size beds. Rails can be easily raised and lowered with a push button adjustment.

- P558-C0 58"L x 19"H, Width Adjusts From 26" To 72", Height Above Box Spring 17 1/2", 1/cs

**RUBBERMAID OVERBED TABLE**

Table conveniently adjusts for left- or right-hand use and height variation. "C" style base allows for closer access from a chair.

P567-00

15' x 30', Adjustable (some assembly required), 1/cs

**RUBBERMAID URINAL**

Sturdy grip for easy handling. Can be used in several positions by bedridden patients. Lightweight, durable and easy to clean. Feature graduation marks to measure output. Retail packaging.

P706-00

Female Urinal, 35 oz, 6/cs

P707-00

Male Urinal, 35 oz, 6/cs

**RUBBERMAID BED PANS**

These pans are made of durable, lightweight polyethylene for easy cleaning. Contoured design provides comfort. Pans feature either side or back handle grips. Fracture bed pan has low tapered front for easier patient positioning.

Retail packaging.

P704-00

Bed Pan, 6/cs

P705-00

Fractured Bed Pan, 6/cs

**RUBBERMAID SITZ BATH**

Wide contoured edges for comfort. Convenient on/off flow control clip. Designed to fit standard toilets. Retail packaging.

P708-00

Sitz Bath, 2.1 Qt w/60" No-Kink Tubing, 6/cs

**RUBBERMAID INVALID CUSHION**

Comfortably conform to the natural body contours of the user. Easy inflation or deflation with push-pull valve. Removable cover on foam cushion is machine washable. Retail packaging.

P701-00

Foam Invalid Cushion w/cover, 6/cs

P702-00

Vinyl Invalid Cushion, 6/cs

P703-00

Inflatable Rubber Cushion, 6/cs

**RUBBERMAID PEDAL EXERCISER**

Can be used on a tabletop as an arm exerciser or placed on the floor to exercise the legs. Tension control knob allows broad range of pedal resistance for a progressive exercise program.

P552-00

Pedal Exerciser, 1/cs

**RUBBERMAID HEAD HALTER OVERDOOR TRACTION SET**

Includes water weight bag, cervical spreader bar, nylon braided rope, overdoor traction clamp and adjustable hook-and-loop halter.

P551-00

Head Halter Overdoor Traction Set, Weight Bag  
Measure Adjusts From 2 lbs to 20 lbs, 6/cs

**RUBBERMAID CERVICAL PILLOW**

Provides comfortable support for the neck when lying on back or side. Two levels of support - firmer on the ends with a softer cushioned middle. May be used alone or in addition to a standard pillow. Retail packaging.

P713-00

Cervical Pillow, 6/cs

**RUBBERMAID INFLATABLE NECK REST**

Comfortably cradles neck, providing support for the head whether sitting up or lying down. Includes convenient carrying pouch. Retail packaging.

P712-00

Inflatable Neck Rest, 6/cs

**RUBBERMAID CONTOUR BACK CUSHION**

Orthopedic contour shape allows for correct sitting position, minimizing lower back discomfort. Molded foam rubber cushion comes with removable cover.

P711-00

Contour Back Cushion, 6/cs

**JACK FROST LABS INSTANT DISPOSABLE COLD PACK**

Disposable non-insulated cold pack. Single squeeze activation allows for immediate use.
